**BEING A WELCOME ADDRESS OF THE PRESIDENT AMB, DR RALPH JOHN
JP DD ON THE VALUE CHAIN TRADERS ORGANIZATION OF NIGERIA,
AGRIC REVOLUTION ON CITIZENS OF NIGERIA,**

AGRIC REVOLUTION

**Fellow Citizens
Ladies & Gentlemen**

You are all welcomed to this all important conference of Value chain Traders Organization of Nigeria Agricultural Revolution on Citizens of Nigeria.

Value chain is a registered organization with its Headquarter Office of 95, 11 Crescent Kado Estate in Abuja and 46 East West Road PHC.

IT'S OBJECTIVE:

1. We are a confidence credible people empowered to participate and influence the society positively. Our aims and objectives include promoting and educating people on trade policies.
2. Promote trade policy issues before the national Assembly, Agencies and Multilateral to reduce corruption on organs or operation of value chain traders both on land, sea and borders to protect common interest of members.
3. To maintain contact with various government agencies concerning the activities of Value chain traders. We also run a special task force to stop illegal business practices denting the image of Nigeria such as smuggling of drugs and fake products which endangers people health.
4. Value chain traders Organization Of Nigeria (**VACTON**) helps Ngo's to benefit, Expand your organization to bring better development of food processes to the citizens of the country.

AGRIC REVOLUTION:

It encourages and empowers farmers in different agricultural sectors like Animal husbandry, crop plantation and fishery. This section may require large capacity of modern machines to effect adequate change of output. We shall help in securing the machines they needed.

GRANTS:

As you register with value chain, you shall be qualified for grant under value chain. There are grant line ups which the organization is enlisted, Agric grant is in one of them. As we congregate we shall come up with comprehensive lists of members.

We Welcome You To This Seminar

It is significant to know that our source is God and he directs us. Our source of confidence is God.

- You must have knowledge of your purpose.
- You must have knowledge of your potential.
- You must have knowledge of your resources.
- You must have knowledge of your value to expand your business.

With all these, I charge you to be ready for a revolution in all you set your hands do particularly in agric revolution.

Thank You and God Bless you
